Associate

Anthony Pejerrey assists his clients in resolving a wide range of issues relating to estates, fiduciary litigation, and property rights. Anthony has wide-ranging experience in estate, trust, and guardianship matters. He has worked extensively in this area in handling complex litigation of estates, trusts, and guardianships, as well as handling the uncontested administration of estates and estate planning. Anthony has experience in all phases of litigation, including case evaluation, management, discovery, advocacy, trial, and settlement. Despite the complexity of the issues that often arise, Anthony's goal is always the same - to navigate clients through their legal obstacles practically and efficiently.

A native Houstonian, Anthony attended South Texas College of Law, graduating Magna Cum Laude. While in law school, he participated in the nationally ranked mock trial and moot court programs, winning Best Brief in the Spurgeon E. Bell Intramural Moot Court Competition. He also represented the school at the ALA National Moot Court Competition. Prior to law school, Anthony graduated Summa Cum Laude with a Bachelor of Arts in English and Philosophy from the University of St. Thomas.

Away from the office, Anthony spends time with his family being a devoted husband and father. He and his wife stay active by raising three children, and they devote time to volunteer efforts when time permits.
